

Sample Schedule Followed By Most Groups

The **Trading Post pavilion (#5 on map)** is an ideal 'central base' for classes to work out of for their day's activities. It is a large, covered pavilion with picnic tables, access to water, and has two, single-stall, bathrooms. If a group wanted to grill out, there is a nice grill area located on the other side of the trading post pavilion. Buses may park nearby.

Short Walking Distance from Trading Post Pavilion
