

# How to Get to the Outdoor Education Center

## Outdoor Education Center

The Outdoor Education Center is housed at Camp Horne, conveniently located in Tuscaloosa County and a relatively short distance from any school within the system. Its location makes it a perfect site for extended learning activities as a day field trip.

### Address:

13633 Keenes Mill Road  
Cottondale, AL 35453

When driving out Keenes Mill Road, keep going until you see the Camp Horne gate sign (see on left). DO NOT turn onto "Camp Horne Road" (that leads to a neighborhood and the backside of camp).

Once in camp, follow the main road (paved) until greeted by the Camp Ranger or a representative. The main parking area is located at the top of the hill if you simply stay on the paved road.

Camp Ranger's Contact Number:

Tim Patrick
