General Information

Camp Horne has operated as a place for Scouts since 1922. As formal summer camp started in 1924, the Black Warrior Council has continued over the years to offer a variety of Scouting programs. The camp features two pristine lakes nestled within the rolling hills of West Alabama. Facilities and equipment are available for a number of outdoor activities including aquatics, climbing, rappelling, shooting sports and hiking. Livingston Chapel, whose open-air view of Horne Lake and the Alabama sky are unparalleled, serves as a place of prayer and reflection. Additionally, Camp Horne has an Olympic-length swimming pool and areas for outdoor skills and ecology instruction. Camp Horne is owned and operated by the Black Warrior Council and continues to annually be a Nationally Accredited BSA summer camp.

INDIVIDUAL FEES

Cub Scout Resident Camp fees for the 2023 season are:

	Youth Participant Fee
In-council Scouts	\$155
Out-of-council Scouts	\$175

Packs are billed per registration. The Black Warrior Council does not track individual payments; rather, we process unit payments. While we do not manage individual accounts, units are encouraged to set up their own internal system for collecting payments from individuals in the unit. When units make payments, they will be asked to complete the appropriate **Unit Roster and Payment Form** and submit that to the Black Warrior Council office along with the payment.

One adult leader may attend free for every six (6) paid Scouts.

The fee for leaders exceeding this ratio is \$75 each for both in-council and out-of-council units.

Payment for all adult leaders exceeding the 1:6 ratio is due **May 19, 2023**.

Scouts	Free Leaders	Scouts	Free Leaders	Scouts	Free Leaders
6-11	1	24-29	4	42-47	7
12-17	2	30-35	5	48-53	8
18-23	3	36-41	6	54-59	9

Final payment is due May 19, 2023. Any late registrations or payments will be charged a \$25 fee per participant.

These fees cover staff training, staff payroll, food, camp patches, program supplies and insurance. Any questions regarding the financing of Camp Horne or the Black Warrior Council should be directed to Justin Hayes, Council Program Director.

This means that non-registered siblings of Scouts will be allowed to attend camp as long as a parent is present. Registered Scouts may still attend without a parent present as long as the appropriate ratio is met. Space is limited and registered Scouts will receive first priority for registration.

REQUIRED ADULT LEADERSHIP RATIO FOR CUB SCOUTS

The minimum leadership requirements for any Cub Scout unit attending resident camp is a ratio of two adults to a maximum of eight Scouts and one additional adult for each four Scouts (or part thereof).

Scouts	Min. Leaders	Scouts	Min. Leaders	Scouts	Min. Leaders
1-8	2	13-16	4	25-28	6
9-12	3	21-24	5	29-32	7

CAMPSITE REQUESTS AND FEE

The campsite reservation fee is \$50 per unit and must be paid in advance for your unit to secure your campsite. To request your campsite, please use our online registration at <https://scoutingevent.com/006>. Campsite registrations will be accepted starting January 16, 2023 at 5:00pm Central. Campsites are assigned based on projected numbers provided by unit leaders and deposits paid. Requests are not guaranteed; however, management will try to honor request when assigning campsites. Campsites do not have electricity in them, but have gas-powered hot water heaters. **If your unit needs extra tents (above projected numbers) please notify the camp staff one week before your arrival to camp. Request will be filled if possible, if not your unit may bring personal tents or hammocks.**

FEE REFUND POLICY

Refund Policy: Due to commitments made by the Council for the hiring of staff and purchasing of program supplies, camp materials, and food for summer camp, refund amounts are dependent on time of submission and reason for refund. The \$50 site fee for Camp Horne is non-refundable. No refunds or credits will be issued at camp. Refunds will be issued to the unit via check or will be moved into the unit's account after the unit has attended camp. No refunds will be issued for unsupported requests.

Requests for full refunds (less the per Scout deposit fee) will only be accepted for medical illness or injury to the Scout, medical illness or injury to an immediate family member, or mandatory attendance to summer school during the scout's scheduled summer camp week. Requests for refunds for these reasons must be submitted **within 30 days after the unit attended camp**, with supporting documentation to the Black Warrior Council Service Center (by email: justin.hayes@scouting.org, or by mail: PO Drawer 3088, Tuscaloosa, AL 35403). Written refund requests should be submitted to the Council Service Center and should include the Scout's name, unit number, date of attendance, reason for refund, and documentation to support refund request. If the scout cannot attend the week that they want to attend summer camp, then they will be assigned provisionally to another week of camp if this is a possibility for the Scout.

Partial refund requests for all other reasons will be issued based on the date of submission and must be made in writing to the Service Center prior to the dates below:

<u>Refund Request made by:</u>	<u>Amount to be Refunded:</u>
April 15th	Total amount paid less \$50
May 16th	50% of the amount paid
May 27th	25% of the amount paid
After May 27th	No Refund

CAMPERSHIP FUND (IN-COUNCIL UNITS ONLY)

Fees should never prevent a Scout from fully participating in the camp program. Units are encouraged to work with their chartering organization and committee to assist Scouts with financial difficulties. The Black Warrior Council does have limited camperships available to help Scouts when all other resources have been exhausted. Camperships do require that the Scout complete a service project. Make sure that each family follows the instructions on the application provided in the appendix of this guide. Camperships will be granted based on need. The Harry E. Bovay, Jr. Foundation provides funds for Scouts in the Black Warrior Council.

Camperships are awarded for **up to 50%** of the camp fee. Campership applications are not considered forms of payment. Campership money will only apply to the last payment. All applications are reviewed by a volunteer committee.

All applications are due to the Council office by **March 15, 2023**. Applicants will be notified by **April 30, 2023**.

Health and Safety

BSA HEALTH AND MEDICAL FORM

All Scouts, leaders, and other adults attending Camp Horne must have a physical examination before coming to camp and have the BSA Health and Medical Form Parts A and B completed (Part C is recommended but not required). Scouts and leaders whose BSA Health and Medical form are inadequately filled out or are missing upon arrival will be given until 12:00 PM on the following day to complete the forms or the Scout or Scouter will be sent home. The Boy Scouts of America encourages Scouts and Scouters to follow the immunizations recommended within their state. If a Scout or Scouter is unable to comply with the vaccination recommendations for any reasons, a physician's statement to that effect or a State of Alabama Certificate of Religious Exemption should be provided.

INSURANCE INFORMATION

The Black Warrior Council has purchased accident and sickness insurance for every registered Scout and Scouter in the council. This coverage is excess insurance to any health or accident insurance that a family already may have in place. This policy covers the Scouting activities involved with the camp. This insurance does not cover co-pays for the family's primary insurance. Out of council units must provide proof of accident and sickness insurance upon arrival. Questions may be directed to Justin Hayes, Council Program Director at 205-554-1680.

IN-CAMP HEALTHCARE

Should a Scout or Scouter need medical attention while at Camp Horne, a health officer is onsite 24 hours a day. In the event of a medical issue or emergency, the health officer is qualified to administer first aid and primary care. If a Scout were to need non-emergency medical care from a physician while at camp, the camp office will contact the emergency contact so that the Scout may be taken to his personal physician. In the event of a medical emergency that requires immediate attention, Scouts or Scouters will be taken to DCH Regional Medical Center in Tuscaloosa via qualified emergency personnel.

RISK FACTORS

Based on the vast experience of the medical community, the BSA has identified that the following risk factors may define your participation in various outdoor adventures:

- Excessive body weight
- Heart disease
- High blood pressure
- Diabetes
- Seizures
- Lack of immunizations
- Asthma
- Sleep disorders
- Allergies/anaphylaxis
- Muscular/skeletal injuries
- Psychiatric/psychological/emotional difficulties

GETTING AROUND IN CAMP

Camp Horne is a walking facility and Scouts and Scouters alike need to be in shape for our "rolling hills" and being in an environment (extreme weather conditions, such as heat or rain) to which they might not normally be accustomed. Be sure adults in your unit who are attending as leaders are aware of their environment. Get in shape for camp by taking some early walks and spending time outdoors before your week at camp.

PERSONAL PRESCRIPTIONS

The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, may agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. As stated in *Guide to Safe Scouting*, all medications (including those which are part of first aid kits) must be kept secured when not in use except for inhalers, Epi-Pens, etc. If the leader does not want to take responsibility for the medication, it can be turned into the health officer at the Health Lodge for dispersal. Important reminders about prescriptions:

- **Must** be in the original container
- **Must** bear the original pharmacy label containing:
 - Prescription number
 - Date filled
 - Physician's name
 - Directions for use
 - Patient's name
- **Must match** the physician's order, which should accompany the medical form.
- Orders signed by the physician, and the parent/guardian **must be** submitted for the health officer to administer prescription medication. **Important:** Please check forms yearly and delete any medication orders that will not be given at camp that year. All prescription medications sent to camp must be unexpired.

***Important Note:** If a BSA Annual Health and Medical Record indicates that an individual must have an inhaler, Epi-Pen or similar medical device, the camper must carry the required item with him at all times. This information should also be made known to the leaders of that Scout and the health officer.

SPECIAL NEEDS (INCLUDING DIETARY NEEDS)

If you have a Scout, Scouter, or other adult with special needs, please contact the Camp Director and the Program Director to make sure special needs can be accommodated. We will do our very best to make the camp a great experience for those with special needs, whether they be physical or dietary. To ensure accommodation, requests should be made **two weeks prior** to your arrival at camp.

Check-In/Check-Out Procedures

ARRIVAL AND CHECKING INTO CAMP

Units should plan to carpool to camp as parking space is extremely limited. If your unit travels to camp in personal vehicles, coordinate to ensure that the entire unit arrives at the same time as check-in is a group process. Vehicle access to campsite will be limited so attempt to load all gear in as few vehicles as possible. Overnight parking is prohibited as per NCAP standards. Upon arrival, you will receive additional directions and information from a staff member located at the front gate. Your check-in guide will greet you at check-in. Each step of the check-in process is critical, and your guide will help you complete it in a timely manner. The Scoutmaster or a designated leader should report to the Hulsart Center to complete the registration process.

Each unit will be assigned a specific arrival time by June 3, 2023. Units arriving after their assigned check-in time may face longer wait times during the check-in process.

The gates will not be unlocked prior to 2:00 p.m.

Each unit must complete the following steps during check-in:

1. Staff guide meets pack in parking area.
2. Cubmaster will report to the Hulsart Center for check-in meeting and to bring important documents and records with you this is where you will check-in before going to the campsite. Guide will receive physical forms and any swim forms while leader is checking in with camp administration.
3. The unit will check in with the Health Officer at the Health Lodge for a medical re-check and buddy tags.
4. Swim tests are administered, or rechecked and swim test forms reviewed.
5. The unit goes on a tour of all program areas.

MANDATORY PAPERWORK

7. Check Out Form for each Scout
8. Shared Full Time Leader Days and Part Time Leader Days forms

SWIMMING POOL ORIENTATION AND SWIM TEST

Units have the option of arranging for their swim checks to be completed before they arrive at camp. Units wishing to do so must follow these guidelines and **UTILIZE THE SWIM CHECK FORM (page A8)**:

1. Every person using aquatic facilities must have an annual swim test. January 1- December 31.
2. The requirements for swim qualification for Beginner and Swimmer must be conducted exactly as stated on the Swim Check form.
3. A currently certified BSA lifeguard, BSA Aquatic Instructor, YMCA lifeguard or American Red Cross lifeguard must conduct the test. A copy of the instructor's certification showing expiration date must be provided.
4. The unit swim classification record must be used and signed by the certifying lifeguard.
5. The Camp Horne Aquatics staff reserves the right to retest any individual to assure the standards have been met.

CHECKING OUT OF CAMP AND DEPARTURE

In the event a Scout, Scouter or other adult needs to leave camp temporarily, or permanently, before the end of the session, he must check in and out through the Hulsart Center with a member of the camp administrative staff. **It is essential to the safety of the youth in our care that camp management knows who is on camp property at all times.**

Scouters are asked to be aware of the following procedures and make them known to all families to ensure the safety of our Scouts:

1. Check in and out times must be limited to the hours between 8:15 AM and 9:30PM. If Scouts cannot return before this time, parents should bring them back to camp the next morning.
2. While we will assist in locating Scouts for checkout in the event of an emergency, extra staff members are NOT available to search for Scouts who are leaving for non-emergency events.
3. Scouters should be aware of each Scout's schedule for checkout. If at night, someone should meet and walk with the returning Scout back to the campsite. Camp Horne uses the Buddy System. Please review this with Scouts and Scouters prior to arrival.
4. Scouts may only be released to the parent or legal guardian. If another person is checking a Scout out from camp, they must be listed on the Scout's Check Out Form (page A7).
5. All Scouts and Scouters must check in and out through the Hulsart Center. The person picking up the Scout must sign him out.
6. Any camper who needs to leave for medical purposes must visit and/or inform the Health Officer of the reason. If returning, the camper must check in with the Health Officer before returning to his campsite and schedule.

Units are encouraged to remain in camp through the final morning of their session. Detailed instructions will be discussed at the Leader's meeting. Basic check-out procedures is as follows:

1. Unit leader informs Camp Director of departure time (availability determined by schedule).
2. Unit cleans general campsite area, stores equipment and secures tents.
3. Any camp equipment that has been checked out is returned to Hulsart Center.
4. The Camp Director, Program Director, Commissioner or designee inspects the campsite with a unit leader, and both verify the campsite inspection is completed.
5. Arrangements are made for unit and personal equipment to be hauled out to the parking area.
6. Unit Leader picks up medical forms from the Health Officer.
 - All medical forms not picked up will be destroyed at the end of camp.

Camp Leadership Guidelines and Responsibilities

GUIDELINES

1. **Don't be afraid to ask for help!** The staff is ALWAYS available for help, regardless of the situation. Supervise your pack at all times. Adult leaders are responsible for their Pack's welfare and should make every effort to assure their physical and emotional health. Adult leaders are also responsible for the behavior of their Scouts. Please help the staff to focus on the program by watching your Scouts and being available to deal with discipline issues should they develop.
2. **Be Prepared.** Be sure that all attending camp has the necessary personal gear, especially rain gear and change of footwear. It is advised that you bring games or other activities in case the weather does not cooperate with camp programming.
3. **Understand the program and guide the pack through the activities.** Be on time and accomplish tasks in an enjoyable manner. In guiding your Scouts remember that Cub and Webelos Resident Camps are not a military institution. Lead, do not command.
4. **Allow your Scouts to fail.** One of the greatest teachers is failure. Even if you can complete a task more quickly or satisfactorily, it is important to give your Scouts the opportunity to attempt things for themselves even if it means they need to try more than once. Remember, you're here to guide them along the journey of development toward becoming successful young adults.
5. **Be sensitive to problems.** Many of the Scouts will be away from home for the first time and might develop homesickness. Some Scouts may at first experience discomfort with the newness of their natural surroundings. Be patient and fair, listen and resolve the problems together. Again, the staff is ALWAYS available for help.
6. **Allow the staff to do their job while working with your dens.** Adult leaders are encouraged to participate, but do not dictate camp programming. Program areas, particularly aquatics and shooting sports, are not areas under your control. If there is a problem with a staff member, it should be brought to the attention of the Camp Director and appropriate action will be taken.
7. **Remember you set the example!** Be positive role model. We strongly discourage smoking as well as swearing, displays of anger, and unsportsmanlike conduct. Camp rules and policies have been carefully designed over time, complying with the national BSA regulations. Rules have not been implemented arbitrarily and we will gladly explain their purpose. Your cooperation and aid in maintaining our rules/policies is expected and required.
8. **Be aware of medical needs.** The staff will also be aware. This information should NOT be shared with everyone.
9. **Enjoy camp!** While the work you do makes a huge difference, don't forget to get some deserved R&R!

UNIT LEADERS

Every unit will need a minimum of two registered leaders in camp at all times. One leader must be at least 21 years of age, while assistants can be 18. Ideally besides two leaders, each pack should have one adult per 5 Scouts. Adults in attendance at camp with the pack are responsible for:

- Maintaining order and discipline within the pack
- Ensuring the cleanliness of their campsite during their stay and before departure,
- Remember, Scouts practice Leave No Trace!
- Ensuring all campers wash their hands prior to every meal or use sanitizing gel
- Ensuring the safety of all campers by adhering to all camp guidelines and ensuring the Scouts do the same.

YOUTH PROTECTION GUIDELINES

All BSA Youth Protection Guidelines must be followed at all times during your stay at Camp Horne. Every leader and adult in camp must show proof of course completion in Youth Protection training either prior to or upon arrival at camp. It is preferred that these be submitted with the **Unit Roster and Payment Form**. Every unit must adhere to two-deep leadership while at camp. You will also need to submit the **Unit Leadership Roster and Pack Roster** upon arrival. This will allow us to best communicate with the leaders from your unit present in camp at a given time.

WATER RELATED ACTIVITY GUIDELINES

The BSA standards for resident camps state that the ratio of Lifeguards to Cub Scouts is 1:10, minimum of 2 (Example: 32 swimmers, minimum of 4 lifeguards). Although we strive to have adequate lifeguards, occasionally adult leaders may be asked to assist as lookouts when necessary. Anyone with Safe Swim Defense, Safety Afloat, Swim Safe Supervision, Paddle Craft Safety, BSA Lifeguard or equivalent training may be asked to assist.

Use of lakefront activities with Cub Scouts and Webelos varies according to the age and skill level of the Scout. Events will follow the *BSA Aquatics Supervision Manual* and the *Guide to Safe Scouting*. If you have specific questions concerning the Aquatics areas, please see the Aquatics Director or Camp Director.

Lifeguard Quotas

To ensure the safety of your Cub Scouts, the Boy Scouts of America has established a 1:10 lifeguard to Cub Scout ratio. Once the area reaches capacity, Scouts will be rotated in/out of the area so all can enjoy the event. Adult leaders may be asked to forfeit their time so the youth can participate in aquatic activities. Yes, adults also count toward the overall ratio in aquatic activities.

SERVICES

CAMP OFFICE

If contact needs to be made within the time that camp is open, please contact the unit leader. If you are unable to contact the unit leader, please contact the Camp Director or the Camp Ranger.

MAIL

The camp mailbox stays busy during a typical week at camp. Incoming mail will be delivered to unit leader during meals.

. Mail to camp may be addressed as follows:

Scout or Leader's name - Pack #
Camp Horne
13633 Keene's Mill Road
Cottondale, AL 35453

DINING HALL

Meals are served in our dining hall each day. Professional cooks prepare breakfast, lunch and supper so your Scout's attention can be on fun. Menus are balanced for the dietary needs of your Scout and approved by a certified dietician. Meals will start on the first day with supper and end on the last day with breakfast. The waiter system is used in the dining hall for setting the tables and cleaning up after meals. Special dietary needs will be accommodated as best we can with the food we have available. Dietary supplements should be brought from home for specific dietary requirements. Any special requests need to be made prior to arrival with the Camp Director **two weeks prior** to your arrival.

LOST AND FOUND

A central lost and found area is located on the Hulsart Center porch and Trading Post. To simplify the recovery of lost items, Scouts should clearly mark their personal possessions with their name and unit number. All items are discarded or donated at the end of the summer camping season. For Example; J. Stetson, P 85

CAMPSITES

Each campsite has at least 10 Adirondacks and several tent platforms for canvas tents. Each tent will have two lots and the Adirondacks have 4 beds with mattress pads. Usually more than one unit will be in a campsite during each session of camp.

COMMISSIONER'S SERVICE

The Camp Commissioner is the concierge for your campsite. The Commissioner will visit the campsites each day to conduct inspections, visit with leaders, etc. It is the commissioner's job to make sure you have all the supplies and equipment you need. If there is something broken or missing in your site, a member of the commissioner's staff will work to fix it or replace it. If trash needs to be removed from your campsite, you may bring it yourself to the dumpster at the Hulsart parking lot or ask for the Commissioner for help in removing the trash.

TRADING POST

Camp Horne's trading post is open daily. Scouts can make purchases from its assortment of cold drinks and snacks as well as camp souvenirs.

CHAPEL AND CHAPLAINCY

Among the many wonderful facilities at Camp Horne is the Ponder-Livingston Chapel. This outdoor chapel is located in a beautiful location overlooking our upper lake. Two camp-wide services will be held during your stay at camp. This service is led by our chaplain as well as Scouts in your units. In case of need, the chaplain can be available for counseling or other services. All religious programs (vespers, devotionals, etc.) are inter-faith and are pre-approved by the Camp Director. Units may request copies of these materials for review by religious leaders. Scouts are encouraged to practice their own personal faith during camp. If you have any questions, please see the *BSA Declaration of Religious Principle (BSA Charter and Bylaws; Bylaws Article IX, Section 1)*. The chapel is always available for individuals, small groups, or your entire unit. For a planned event, please schedule use through the Camp Director.

DRINKING WATER

Drinking water will be provided at different areas of the camp for participants to fill up their water bottles. It is imperative on summer days to drink plenty of water and stay hydrated.

Should a Scout or Scouter need medical attention while at Camp Horne, a health officer is onsite 24 hours a day. For additional information please see *Health and Safety* (pp.3-4).

For golfcarts need to read the manual on training criteria.** Golf carts or other vehicles are allowed only with **written ADVANCE** permission of the Camp Director and/or the Ranger and must include headlights, first-aid kit, fire extinguisher and horn. Golf carts **MUST** be inspected by the **RANGER** before unloading.

Transporting anyone in the bed of a pick-up or trailer - covered or not - IS PROHIBITED.

SCOUT OATH AND LAW

In addition to specifically outlined policies, all campers are asked to measure their conduct by the Scout Oath and Law. Any behavior inconsistent with these principals will not be tolerated.

Scout Oath:

On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.

Scout Law:

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

TABLE WAITERS

Camp Horne utilizes the Table Waiter system. Each unit will be responsible for setting their tables with utensils, cups, and etc. At the end of the meal, the unit is responsible for clearing and cleaning their area. Kitchen staff will call items to bring to the service window one item at a time.

CONSERVATION POLICY AND LEAVE NO TRACE

Leave No Trace is one of the many outdoor skills taught to Scouts of all ages. Please help us keep Camp Horne clean by putting your trash in designated trash cans. Units are highly encouraged to participate in a recycling program in their campsites. Please see the Camp Director or Ranger for more information.

WILDLIFE

For many Scouts, Camp Horne is a great place to see many types of wildlife, from plants to animals. Please remind your Scouts that any food in the tents will attract unwanted ants and raccoons. Snakes are another form of wildlife often seen at camp. Scouts and Scouters of all ages should avoid picking up snakes as many in our part of the country are venomous. It is also a good idea to familiarize yourself and your Scouts with poisonous plants and what they look like. A general rule is “leaves of three, leave them be.” In other words, if the plant has clusters of three leaves, don’t touch.

TICK BOURNE AND MOSQUITO DISEASES AND PREVENTION

Lyme disease, Rocky Mountain Spotted Fever, etc. are carried by ticks. West Nile, Zika, etc. are carried by mosquitoes. There are ticks and mosquitoes at Camp Horne and the best prevention is bug repellent. Please make sure your Scouts and adults utilize this prevention. Also make sure your participants check themselves regularly. If a tick does not remove easily, please go to the Health Lodge to have it removed.

DAMAGE CHARGES

During check-in a member of our staff will review the campsite condition with the unit leader using the rubric below. Before checking out, a staff member will inspect the condition of the campsite with the unit leader. If damages occur during your stay, your unit may be held accountable for the cost of facility/equipment repairs or replacement. Accidents occur; the fines below are for non-accidental damages. Intentional actions or clear misuse are cause for fines. The equipment at Camp Horne belongs to everyone who uses the facility. We want to ensure that equipment and facilities remain usable for the entire lifetime of the item.

PROGRAM INFORMATION

Our first priority at Camp Horne is for everyone, including youth and adults to have a spectacular camp experience in a safe environment. Under the supervision of our trained staff, Cubmasters, adult leaders, and adult volunteers, Cub and Webelos Scouts will have the opportunity to work toward rank advancement, belt loops, Webelos activity awards, Scout skills, and special camping awards. Through our program we aim to address the Scout Oath and Law while giving Cub Scouts memories to cherish for life.

CUB SCOUT RESIDENT CAMP PROGRAM

Themed programming allows Scouts to experience the Cub Scout outdoor and advancement programs in an exciting and different way each year they attend camp. Programming will be developed in an innovative and immersive way that teaches advancement-oriented skills to our Scouts as they work together on a quest. Every activity will engage directly in the story line related to our theme. Thematic activities will reinforce the values of the Scout Oath and Scout Law. See pages A13-A15 for more information.

WEBELOS RESIDENT CAMP PROGRAM

Webelos programming will be oriented toward the completion of the Webelos rank. Scouts working toward their Arrow of Light will enjoy activities, including an exciting overnight stay, which help them in their transition to Scouts BSA. Both Webelos programs will also include thematic elements from the quest which frames the Cub Scout thematic programming. See pages A16-A17 for more information.

CAMP HORNE 2023 SUMMER CAMP T-SHIRTS

T-Shirts will be made available at a later date; units will be made aware of this in time to order for camps.

Parent's Page and Checklists:

PARENT'S PAGE

What to expect: Scouts attending camp will be sleeping in wall tents that are on raised platforms or three-sided wood Adirondacks. Each tent holds two people and will have cots for campers to sleep on. Adirondacks hold four campers each and accommodate air mattresses (not provided). Through the session, Scouts will rotate through a variety of program areas around camp including: swimming, canoeing, archery, BB guns, ecology, and advancement areas. Second year Webelos Scouts will also rotate through the many program areas and activities that will help them as they transition from Cub Scouts to Scouts BSA in the upcoming months.

What to leave at home: Sheath knives, personal rifles or other firearms, ammunition, and bows are not allowed in camp; only those supplied by the shooting sports area will be used. Scouts who have earned the Whitlin' Chip can carry a pocketknife, **IF** they carry their Whitlin' Chip with them. If a Scout has his knife out and is asked for his card, but does not have it, his knife can be confiscated and turned into his unit leader until his card is produced. We also recommend that expensive items such as MP3 players, tablets, electronic games, cell phones, and other electronic devices not be brought to camp. Please talk to your Cubmaster to find out how this will be handled for your Pack.

Not Allowed at Camp	Recommended to Leave at Home
Personal firearms	Cell Phones
Personal ammunition	Music Players (MP3, CD)
Personal bows and arrows	Tablets and Computers
Sheath knives	Electronic games
Personal pets	Other electronic devices

A Few Helpful Tips:

- Packing in a plastic tote or footlocker as opposed to a suitcase or duffle bag is a good idea as items are more likely to stay dry in a plastic case than in a cloth backpack or suitcase.
- Due to the heat and humidity of Summer, it would be advisable to have your Scout bring a change of clothing for each day of camp.
- Camp Horne has a Trading Post where snacks, drinks, souvenirs, and program materials can be purchased. Most Scouts spend approximately \$50-\$70 during their stay in our camp.
- If your unit wants to bring snacks, pack them in a shared locking plastic tub. This decreases the chance of bugs, raccoons, or other wildlife from enjoying your snacks for you.
- Packing close toed water shoes is a great idea.
- Wicking or dry-fit underwear as well as regular application of powder will help prevent chafing. In the Alabama heat, these items are more than just advisable items to pack.
- Leave expensive items that you wouldn't want to ruin or lose at home.

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers,

related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.
